

Affiliate Compensation Plan v. v.08202020

Note: Before you can make referrals, you must enter and save your BTC wallet address so that we may send commissions immediately upon completed transactions. Your referral link will not work until you provide a BTC address to receive your commissions.

Every sale of a monthly subscription generates 11 different and immediate commissions. There is 1 Direct Commission, 8 Indirect Commissions and 1 Super Affiliate Commission and 1 Pro Affiliate Commission. Commissions are available when Subscriptions payments are confirmed. To receive commissions click the button on the commission page. It is a good idea to allow you commissions to accumulate to avoid significant miner/network fees. (1 Click does not earn any network or miner fees.)

Direct Commissions

For each customer subscription that you sell / refer, you immediately receive a commission known as a Direct Commission. It is also paid upon subscription renewals each month.

Indirect Commissions

Subscriptions also pay out indirect commissions on generation 2 through 9 of customer referrals and monthly renewals.

Super Affiliate

\$7 given to the first Super Affiliate in the line of referral sponsorship. To be a Super Affiliate, you have to be the referrer of 5 active/current subscriptions. It is possible to receive a Super Affiliate Commission in addition to a Direct/Indirect Commission. This may come from sales beyond 9 levels. It is unlimited in depth potential.

Pro Affiliate

\$7 given to the first Pro Affiliate in the line of referral sponsorship. To be a Pro Affiliate, you have to be the referrer of 15 Super Affiliates. It is possible to receive a Pro Affiliate and Super Affiliate Commission in addition to a Direct/Indirect Commission. This may come from sales beyond 9 levels. It is unlimited in depth potential.
